Bushbury Nursery School Attendance Policy

Introduction

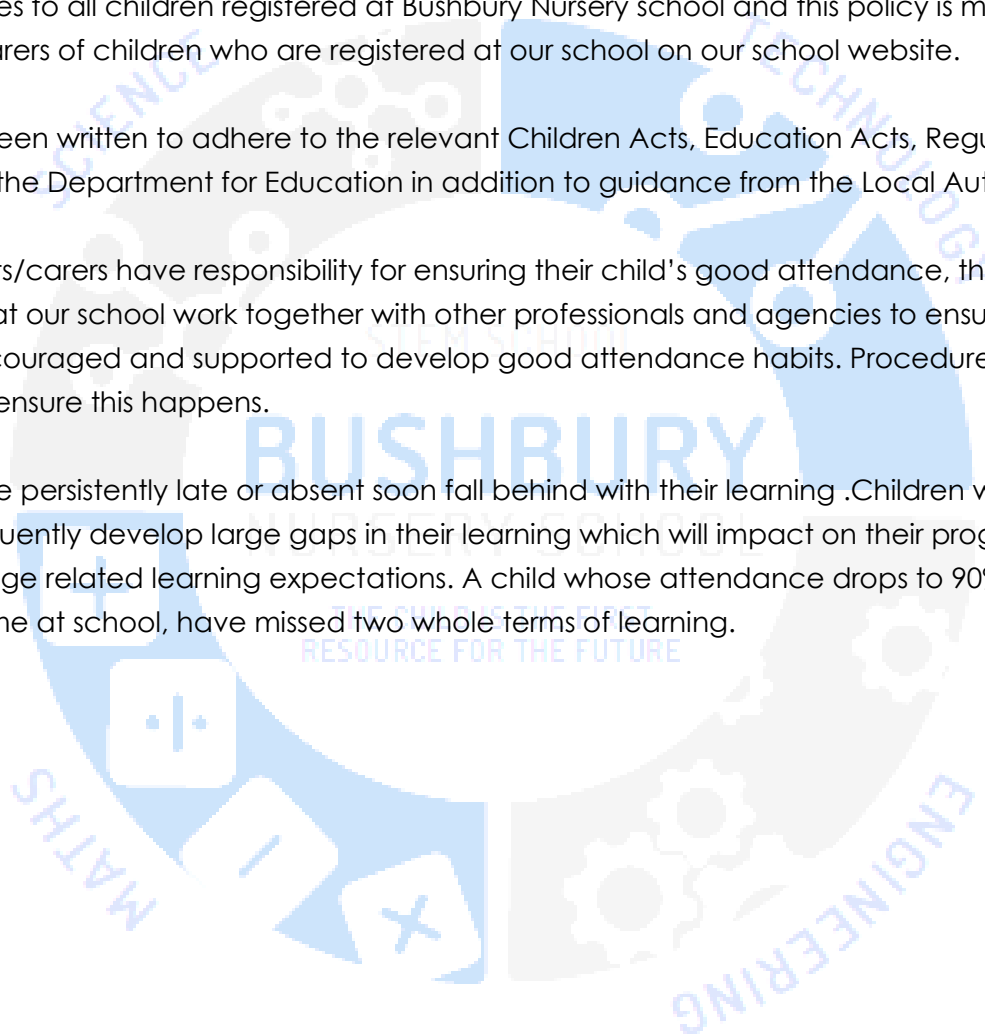

Regular and punctual school attendance is important. Children need to attend school regularly if they are to take full advantage of the educational opportunities available to them. Bushbury Nursery School fully recognises its responsibilities to ensure children are in school and on time, therefore having access to learning for the maximum number of days and hours.

Our policy applies to all children registered at Bushbury Nursery school and this policy is made available to all parents/carers of children who are registered at our school on our school website.

This policy has been written to adhere to the relevant Children Acts, Education Acts, Regulations and Guidance from the Department for Education in addition to guidance from the Local Authority.

Although parents/carers have responsibility for ensuring their child's good attendance, the Headteacher and Governors at our school work together with other professionals and agencies to ensure that all children are encouraged and supported to develop good attendance habits. Procedures in this policy are followed to ensure this happens.

Children who are persistently late or absent soon fall behind with their learning. Children who are absent from school frequently develop large gaps in their learning which will impact on their progress and their ability to meet age related learning expectations. A child whose attendance drops to 90% each year will, over their time at school, have missed two whole terms of learning.

Aims and Objectives

This attendance policy ensures that all staff and governors in our school are fully aware of and clear about the actions necessary to promote good attendance.

Through this Policy we aim to:

- Improve children' achievement by ensuring high levels of attendance and punctuality.
- Achieve a minimum of 85% attendance for all children, apart from those with chronic health issues.
- Create an ethos in which good attendance and punctuality are recognised as the norm and seen to be valued by the school.
- Raise awareness of parents, carers and children of the importance of uninterrupted attendance and punctuality at every stage of a child's education.
- Ensure that our policy applies to Nursery aged children in order to promote good habits at an early age.
- Work in partnership with children, parents/carers and staff so that all children realise their potential, unhindered by unnecessary absence.
- Promote a positive and welcoming atmosphere in which children feel safe, secure, and valued, and encourage in children a sense of their own responsibility.
- Establish a pattern of monitoring attendance and ensure consistency in recognising achievement and dealing with difficulties.
- Recognise the key role of all staff, but especially key workers, in promoting good attendance.

We maintain and promote good attendance and punctuality through:

- Raising awareness of attendance and punctuality issues among all staff, parents and children.
- Ensuring that parents have an understanding of the responsibility placed on them for making sure their child attends regularly and punctually.
- Equipping children with the life skills needed to take responsibility for good school attendance and punctuality appropriate to the child's age and development.
- Maintaining effective means of communication with parents, children, staff and governors on school attendance matters.

- Developing and implementing procedures for identifying, reporting and reviewing cases of poor attendance and persistent lateness.
- Supporting children who have been experiencing any difficulties at home or at school which are preventing good attendance.
- Developing and implementing procedures to follow up non-attendance at school.

Definitions

Authorised absence

An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.

Unauthorised absence

Absence is unauthorised if a child is away from school without good reason or the parent/carer has not notified the school.

Procedures

Our school will undertake to follow the following procedures to support good attendance:

- To maintain appropriate registration processes.
- To maintain appropriate attendance data.
- To communicate clearly the attendance procedures and expectations to all staff, governors, parents and children.
- To have consistent and systematic daily records which give detail of any absence and lateness.
- To follow up absences and persistent lateness if parents/carers have not communicated with the school.
- To inform parents/carers what constitutes authorised and unauthorised absence.
- To strongly discourage unnecessary absence through holidays taken during term time.
- To work with parents to improve individual children's attendance and punctuality
- In some cases to refer to Social Services any child whose attendance causes concern and where parents/carers have not responded to school initiatives to improve attendance.
- All staff should be aware that they must raise any attendance or punctuality concerns to the Leadership Team with responsibility for monitoring attendance.

Responsibilities

All members of school staff have a responsibility for identifying trends in attendance and punctuality. The following includes a more specific list of the kinds of responsibilities which individuals might have.

- Taking and recording messages from parents regarding absence
- Ensuring the Late Book is completed
- Contacting parents of absent children where no contact has been made.
- Recording details of children who arrive late or go home early
- Keeping an overview of group and individual attendance looking particularly for either poor overall attendance, anomalies in patterns of attendance and/ or unusual explanations for attendance offered by children and their parents/ carers and reporting concerns to the Headteacher
- Sending out standard letters regarding attendance

Parents

Parents/Carers are responsible for:

- Ensuring that their child attends school regularly and punctually unless prevented from doing so by illness or attendance at a medical appointment.
- Contacting the school office on the first morning of absence.
- Informing the school in advance of any medical appointments in school time.
- Making requests for authorised absence in term time, only if absolutely necessary and by filling in holiday request forms.
- Talking to the school as soon as possible about any child's reluctance to come to school so that problems can be quickly identified and dealt with.

Registration

- All the school doors open at 8.45/12:30 until 9:00/12:45 am. This time is sufficient for all children to come into Nursery.
- Each Key Worker has the responsibility for keeping an accurate record of attendance. Any pupil who is absent must be recorded at the beginning of the morning and afternoon session. The attendance register must be completed by the Key Worker by 9.00 am and by 12: 45pm.
- All attendance records are documented using SIMs software, which is supported by the Local Authority.

Lateness

- Once the doors are closed at 9:00am/12:45pm the only way to get into school is via the school office. Any child who comes into school this way from 9:00am/12:45 will be marked as late in the attendance record. Records are kept of those children who are late, this is documented on the electronic register for each pupil (Attendance code L).
- Children who are persistently late miss a significant amount of learning, often the most important aspect, as the beginning of the day is where their Key Worker explains the learning and what each child is expected to achieve.
- Where there have been persistent incidents of lateness parents/carers will receive a letter advising them of the concerns and the school will provide opportunities for parents/carers to seek support and advice to address these issues.

ABSENCES

- Parents/carers should contact the school on the first day of their child's absence. When parents/carers notify us of their child's absence it is important that they provide us with details of the reason for their absence.
- All absences are recorded as either authorised or unauthorised absences on the computer. It is important that we receive accurate information from parents with reasons for the child's absence. This information is used to determine whether the absence is authorised or unauthorised. The Headteacher has the responsibility to determine whether absences are authorised or unauthorised.
- Where we have not received reasons for a child's absence then we send a text requesting parents/carers contact the school.

First Day Contact

Where a child is absent from school and we have not received any verbal or written communication from the parent, then we initiate a first day contact process. Office staff check all of the registers from 9.00am to 9.30am on a daily basis, to identify those children who are absent. There are occasions when we are unaware why the child is absent and we will contact the parent to check the reasons for the child's absence.

Addressing Attendance Concerns

The school expects attendance of at least 85%.

It is important for children to establish good attendance habits early on in their school career. It is the responsibility of the Headteacher and the governors to support good attendance and to identify and address attendance concerns promptly. In school we rely upon parents to ensure their child attends school regularly and punctually and therefore where there are concerns regarding attendance parents are always informed of our concerns. Initially concerns about attendance are raised with parents via letters which are sent home. There will be opportunities for the parent/carer to discuss reasons for absence and support to be given by the school with the aim to improve attendance. Where a child's attendance record does not improve over a period of time then the school may instigate a home visit refer to the health visitor or Social Services (if there is a safeguarding concern)

Monitoring Attendance

Our office staff, have the responsibility for ensuring that all of the attendance data is accurately recorded on the SIMs attendance software. Regular meetings are held with the Headteacher to discuss all attendance concerns and appropriate actions are taken following these meetings such as letters sent to parents or meetings arranged to discuss attendance concerns with parents.
